55. Who do you agree with more about the federal response to the hurricanes? **[ROTATE]**

Those who say that the federal government's response shows how important it is that Puerto Rico becomes a state, so that we get the same rights as citizens on the mainland and the same assistance that people on the mainland get for future emergencies. 59%

Those who say that the federal government's response shows that Puerto Ricans will always be viewed as second class citizens and we should stop begging for statehood and become a proud, independent nation. 31
